

Dear Author,

International Journal of Applied Information and Communication Technology [IJOAICT] relies on the peer review process to uphold the quality and validity of individual articles and researches that are published. Whether you're an experienced reviewer or interested in reviewing for the first time, we invite you to send us a short scientific achievements and your declaration of interest [1 page maximum].

What is the process?

1. Send an e-mail (contact@ihoaict.inbie.pl) to the Chairmen of the Scientific Committee Mr. Luis Ochoa Siguencia PhD., expressing your wiliness to be a reviewer.
2. "Research and Innovation in Education Institute" members of the Board will analyse your scientific achievements, short curriculum vitae and send you the final decision.
3. All the process should not last more than five working days.

Important:

- The **reviewer** can be part of the Scientific Committee if he/she shows their explicit interest
- As there is not a financial commitment, a **reviewer** can withdraw his membership by e-mail.
- All claims or disputes between the Parties arising out of or in connection with this declaration, including concerning its validity and construction, that cannot be resolved amicably will be submitted for resolution by a common court having jurisdiction in Czestochowa - Poland.
